A.S. in General Studies   *April 2022*
- o   **GPA:** 3.56/4.00
- o   **Related Coursework:** Mathematics, History, English, Political Science, Health, and Science

PROJECTS

Hair by Sarah   **West Haven, Utah**
Solo Developer   *August 2024 - September 2024*
- ● This responsive web application was developed for a hair stylist business, utilizing React for the frontend and Bootstrap with React-Bootstrap for styling. The result is a sleek and professional interface that looks great on any screen size.
- ● Live App: https://hairbysarah.netlify.app
- ● Github Link: https://github.com/kadevirgil/portfolio/tree/main/projects/hair-by-sarah%20-%20Copy

Personal Portfolio   **Ogden, Utah**
Solo Developer   *August 2024 – Present*
- ● A responsive, interactive personal portfolio built using **Vite**, **React JS**, and **Tailwind CSS**. Showcases projects in full-stack web development, including dynamic applications with clean, professional designs. Integrated **Framer Motion** for smooth animations and transitions. Features modern UI/UX design principles and fully optimized performance across various devices. The portfolio highlights key projects with live demos, code repositories, and detailed descriptions, offering a comprehensive view of my skills in frontend and backend technologies.
- ● Live App: https://kadevirgil.github.io/portfolio
- ● Github Link: https://github.com/kadevirgil/portfolio
